If you are interested in staying downtown:

**The Rosewood Inn of the Anasazi (5 Stars)**

113 Washington Ave, Santa Fe, NM 87501 // (505) 988-3030

<https://www.rosewoodhotels.com/en/inn-of-the-anasazi-santa-fe>

**The Inn of The Five Graces (4 Stars)**

150 E De Vargas St, Santa Fe, NM 87501 • (505) 992-0957

<https://fivegraces.com/>

The Inn of the Five Graces is a unique experience. Both hotels are central and walking distance to the Plaza's shops, dining and museums.

There is also the Four Seasons Rancho Encantado out by Monte Sereno, as well as Bishops Lodge Resort, which just earned an Auberge designation. If it is views you are looking for, I would recommend these over in-town hotels.

That information is here:

**\*Four Seasons Resort Rancho Encantado (5 Stars)**

198 NM-592, Santa Fe, NM 87506 // (505) 946-5700

<https://www.fourseasons.com/santafe/>

**\*Bishops Lodge Resort (5 Stars)**

1297 Bishops Lodge Rd, Santa Fe, NM 87506 // (888)-741-0480

***Of course, please let me know when you are coming in and where you are staying, so we can alert the concierge so that you are extremely well taken care of!***
